

SERVICE CANADA BENEFITS FINDER

Service Canada provides a useful website, www.canadabenefits.gc.ca, which assists Canadians in obtaining a **customized list of benefits (Federal and Provincial/Territorial)** for which they may be eligible. Such information users may provide include:

- The individual's **province of territory, age, marital status**, household **income**, whether they have **children**, type of housing, whether a family member is recently **deceased**;
- The individual's **employment, health** and education status; and
- Other unique factors such as whether the individual is a **newcomer** to Canada, interested in **starting a business**, or is a health care worker.
